Kick-butt female archers!  
Practices are going well.

### **Acting Mistress of Blades – Malie Rennick**

Acting MoB - practices are still being well attended, with 8-16 people coming out any given night. Rapier attendance at the Monday Night Practice in Cloverdale is seeing about 4-8 people, and it's been a lot of fun working in the same space as the heavy fighters. We had a blade break last week, with the tang snapping off the threads that attach the pommel. No damage done to anyone, or anything (barring the blade), and that has been reported to the Principality marshal. In the same vein, two of the swords from Steel Key were found to be defective, and I gave them to Don Godfrey to fix. We've also been talking to Desiree, and I will be MICing rapier fighting at Antioch, including an outdoor melee practice (weather permitting).

### **Scribe – Aelena Cordovera**

Scribal Report

Scribal Meeting is late this month due to Kingdom A&S, and will be held this Sunday March 27.

About 8 - 10 painters and charter designers are hard at work to develop a range of charters to be given out by our beloved B&B.

We are currently working on martial Fang charters and Baroness' Inspiration generic charters, and painters are lining up to eagerly begin painting.

Scribes had a display table of painting Gutenberg Painting Curriculum work, and wording challenge. Hopefully the wording challenge is a long term project that will bear fruit or poems as people get used to the idea of contributing in this way.

### **Webminister – Malie Rennick**

Nothing to report

### **Other Business:**

Winter Defenders:

Was awesome – made money

Lost and found to get back to people

Similar format next year

- Bid next year?

Investiture:

185 people

\$143

Was there an issue regarding damage done to hall door? The crash bar on a door was broken off. The Seneschal for Danscomb knows both people involved, and will make sure principality and Lions Gate doesn't have to pay for it.

Summer Defenders:

Anika and Griffin co-stewards

1 day event @ Cloverdale

Heavy, rapier, archery

TOA:

No update

Need volunteers at gate and a deputy to be event steward for next year.

Using same suppliers from last year.

Still need bids for Baroness' Tourney and baronial banquet

Sergeants:

Motivate Laric

Kate spoke about UTR

Investiture meeting figured out

Two options have been figured out:

If you give six weeks notice –we'll run it for you.

If you give two weeks notice – run it yourself, UTR will provide support.

Working on having UTR at TOA and AT War

James:

Two items:

- 1) Looking at getting some coins made up. Arien the Wanderer (goose, moniers). Quote: portcullis on one side (\$75) – 100 coins \$25, other design \$100 (B&B cover it). Make him a bow, and may cover the other side. Minted. Using the coin as A&S – patronage of the arts, for their endeavour. Arts award
- 2) Email about first hundred days – what have I done with it?
