

Seneschale Report - Ceara inghean ui Mhadadhain

Moving the location of Council from Sapperton to Ceara's house, because the BOD for the hall changed, and now wants to charge us \$50/meeting.

We didn't realize we already owed this on previous meeting. This gives us a total of \$750 for the second quarter (including rapier). We'll pay because we don't want to lose the site, and rapier practice is held there.

Sealion 2012 will be held the last weekend in May (instead of first weekend in June), into heraldic symposium slot.

Need bids for baroness' tourney and banquet
July Council moved up a week to July 21, 2011

Acting MoB - No major changes. Attendance is still steady, and we've been having a lot of good fighting. Couple new people have been authorized, and we've been working on melee tactics for war season. Due to the change in council venue, I'll have to get the money from this past month to Ceara or Asny at AT War.

Lists – Caitrin ni Cingeadh

Nothing to report. Working on painting the list shields.

Chronicler – Wymarcha Hektanah Doiron

As the barony is only required to produce quarterly newsletters as a minimum, proposal to change the North Wind to quarterly issues, with specialty themed issues as needed. Issues will be scheduled to publish a month after quarterly reports.

I just wanted to give you an update for dance practice. May/June saw some new faces and it started out well. We were averaging around 8 students per class. Last night's class I had four students come out and after contacting a few of my regular dancers it was decided to **pause** dance practice for the Summer, due to vacations, school and work commitments and resume it back in the Fall.

We also had a discussion to change the evening of the class and September classes will now be on a Wednesday night, this does not conflict with either fight or rapier practice so I am hoping to coerce some of our gallant warriors to come out and dance. Dance Practice to commence on September 14th and we will be dancing on the 2nd and 4th Wednesday of each month. Time will be still the same 7:00 pm to 9:00 pm.

Our first class of the Fall season will be in Garb.

July/August - If we have any candidates for SYGC that require instruction in dance or dance history, to complete their application. I will be available to provide this. My dance group have also said they will be able to come out and partner if need be. We can get the room on an on-call basis.

If this information could be put on our calendar regarding date and time changes I would be grateful.

Also a BIG THANK YOU to Lilly, our hostess, for providing an amenity room that has ample room for dancing.

Games – Mary Ostler

No report.

Chatelaine – Sage Mcleod

Newcomers' sessions are going well and we did two in June. One at the beginning of the month and another one in the middle for a group of people that couldn't make it out to the first one.

Scribe – Aelena Cordovera

Painting charters, backlog to use in the future and working on new ones. The meeting on Father's Day was small but dedicated, and want to re-do the workshop on creating original scrolls. Soon have people making charters and scrolls.

Webminister – Malie Rennick

Webminister - nothing to report. Lions Gate Combat Archery group is our first official group now.
